The Ohio Department of Education is requiring all public school districts to report information regarding active military duty of a parent/guardian. This will allow school counselors and administrators to ensure those students wellbeing as they adjust to deployed parents or other life events that may affect their school success.

Therefore, we are asking that you complete the form below and return it to your child’s school building on or before Friday, May 18, 2018.

If the active duty military status would change we would ask that we be notified.

Please enter the following information if you are a parent/guardian of a Belpre City SD student and are an active member of any branch of the Armed Forces or National Guard:
