Parental Involvement In Education

Belpre Elementary staff believes that Parent/guardian involvement is an important part of the educational program. Current research indicates that a home-school partnership and greater involvement on the part of parents/guardians in the education of their children generally results in higher achievement scores, improved student behavior, and reduced absenteeism. All parents/guardians of students enrolled in the District are encouraged to take an active role in the education of their children. We:

1. Encourage strong home-school partnerships;
2. Provide for consistent and effective communication between the parents/guardians and school officials;
3. Offer parents/guardians ways to assist and encourage their children to do their best;
4. Offers ways parents/guardians can support classroom learning activities and,
5. Provide opportunities for parents/guardians to be involved in the parental involvement program.

Belpre Elementary School will seek parent input at the annual Back to School Rally held each year. A description of the plan and activities will be shared at the initial PTO meeting held the first Tuesday of September. The monthly PTO meetings (first Tuesday of the month) are open to all parents and provide an opportunity for parents to ask questions and offer input.
